TAKAHIRA IS APPOINTED

KOGORO TAKAHIRA
JAPANESE AMBASSADOR

TOKIO, Japan, Jan. 7.—It is unofficially reported that Kogoro Takahira has been named to succeed Aoki as Japanese Ambassador to the United States.

CANADA AGAINST HAWAIIAN JAPANESE

OTTAWA, Ont., Jan. 7.—The Department of the Interior is considering the putting in force of an amendment to the immigration regulation which will allow of entry into Canada only of immigrants coming directly from their birth-place. The main object of the amendment is to put a stop to the migration of Japanese from Honolulu to Vancouver.

Ottawa, Ont., Dec. 26.—The point about which there is the most speculation in Ottawa is whether or not Article 1 of the Japanese treaty with us sweeping permission to Japanese to enter Canada on the same footing as Canadians does not override the right of the Canadian Government to impose a condition regarding immigration. This view is held by conservatives and expressed by Mr. Monk lately in the house. "According to it," he says, "the Japanese have absolute control over the immigration situation; we cannot pass an alien labor law directed against Japan; we cannot stop undesirable Japanese to the same extent that we can keep undesirable British immigrants out."

The reply made by Duncan Ross is that by international law every nation has the right to control immigration.

The conservative rejoinder is that Canada, by the sweeping terms of Article 1, signed under this right, this rejoinder is strengthened by the fact that the United States Government thought it necessary, when negotiating a similar treaty, to include a clause containing express reservation of rights over immigration.

It is understood that T. Nomo, the Japanese Consul General, takes Monk's view. Recent dispatches from

Tokio seem to indicate that the Japanese Government not only takes the view that it controls the immigration situation, but also takes the view that its undertakings on the subject prior to the conclusion of the treaty are null and void.

Should this prove to be the case a serious blow will be dealt to the position assumed by the liberal members from British Columbia, who assert that they were induced by the pretreaty assurances to acquiesce in the ratification of the convention. They will be in the position of having been tricked, and so, if their account of the attitude of the government is correct, will the government of Canada.

It is likely that when the house resumes after the Christmas vacation the government will be in the unpleasant position of having to attempt the defense of either a calculated misrepresentation or a deliberate breach of faith.

SEND RUEF TO THE SHERIFF

SAN FRANCISCO, Cal., Jan. 7.—With the taking office of the newly elected municipal officers yesterday Judge Dunne announced that he has issued an order placing Abe Ruef in the custody of the Sheriff. The prosecution tried to avert the issuing of the order in fear that the detention of Ruef will disarrange their plans for the further prosecution of the grafters.

FILIPINO ON SUPREME BENCH

WASHINGTON, D. C., Jan. 7.—The President has appointed Chief Justice Tracy as Secretary of Finance and Justice in the Philippine Commission and has appointed Solicitor General Arenta to his place on the bench of the Supreme Court of the Islands.

TO SETTLE NAVY TROUBLE

WASHINGTON, D. C., Jan. 7.—The Naval Committee of the House has introduced a bill to reorganize the navy personnel by dividing the line and staff, granting naval rank above captain only to the naval branch.

EMIGRANT STEAMER IS SAFE

QUEENSTOWN, Ireland, Jan. 7.—The British steamship Mount Royal, bound from Antwerp for Montreal with emigrants, which had been reported as overdue, arrived at this port yesterday in a disabled condition.

DIAMOND FIRMS EMBARRASSED

THREE THAW JURORS

NEW YORK, N. Y., Jan. 7.—Three permanent jurors have been secured for the Thaw trial.

LANAI PETITION POSTPONED.

The Bulletin in making reference to the Supreme Court in the Lanai case stated yesterday that the petition as regards Commissioner of Public Lands Pratt had been "denied." This is not technically correct as the court postponed its decision to pass upon the merits of the case. From the reports the result is the same as the final decision is probably postponed for perhaps a year hence.
